The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

RECOMMENDATION TO TERMINATE LOCAL EMERGENCY (ALL SUPERVISORIAL DISTRICTS AFFECTED) (3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the attached proclamation terminating a local emergency as a result of a fire started on June 5, 2002 in the Copper Canyon area, in the northern part of the County, which conditions were beyond the control of local resources.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

There are three declarations of a local emergency currently open. My Office of Emergency Management staff recently reviewed the status of these declarations in conjunction with County Counsel and the affected departments. They have concluded that the June 5, 2002 local emergency can be terminated.

Your Board ratified the Chairperson's proclamation and reviewed the situation as required by law following its occurrence. State law also requires that proclamations of local emergencies be terminated when the local emergency is over. The proclamation had not been terminated because of claiming issues, which have now been resolved, therefore it is appropriate to now terminate this declared local emergency.

Please note that with regard to other local emergencies, the Agricultural Commissioner has requested the indefinite continuance of the August 8, 1989 and May 10, 1990 infestation of fruit flies local emergency, because of its ongoing nature. In addition, the County Fire Chief has requested the indefinite continuance of the September 22, 2002 Williams Canyon fire local emergency. County Fire prefers to keep the proclamation open due to a dispute on the filing period of the pending claim.
